

Medical Welfare Engineering

Department of Robotics, Graduate school of Engineering
Graduate school of Biomedical Engineering

M.Tanaka & Okuyama Lab.

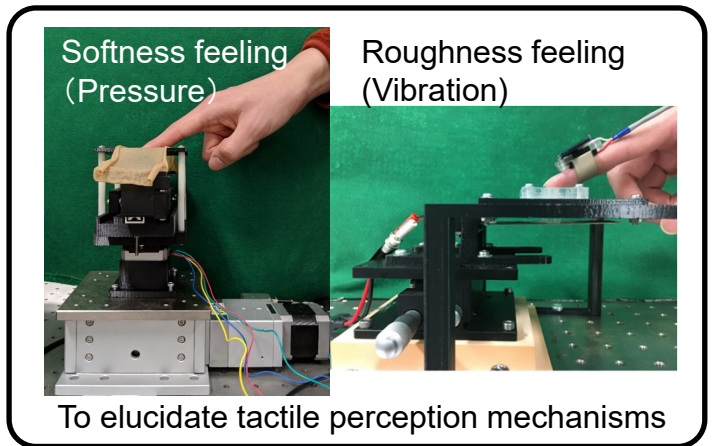

Professor: Mami Tanaka, Assoc. Prof.: Takeshi Okuyama

Location: C05 Administration Office (School of Engineering) 1st Floor

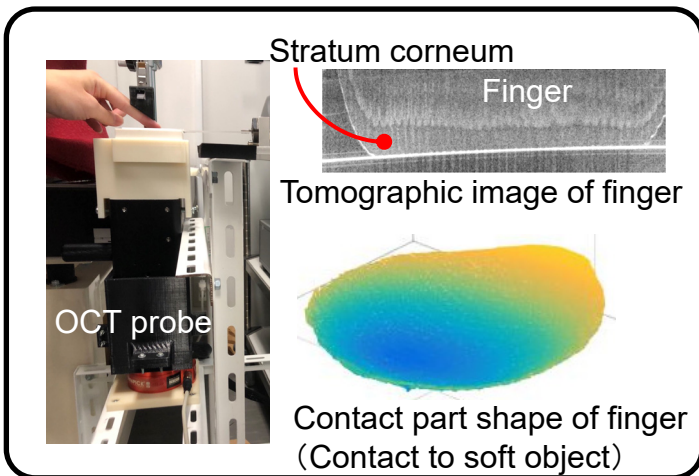

Tactile sensations are measured

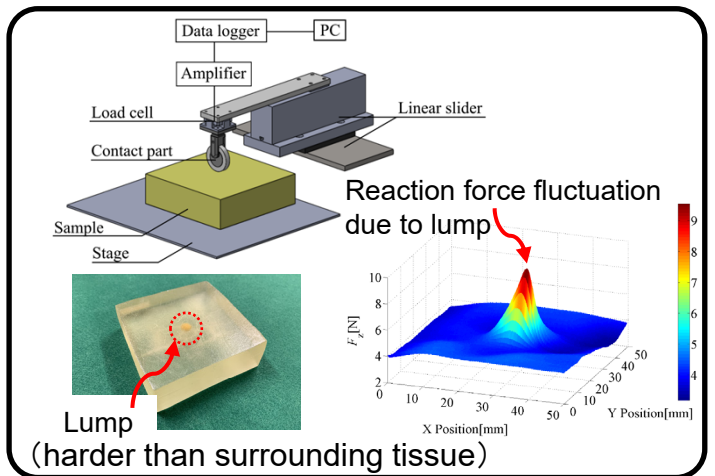

Intelligent finger system

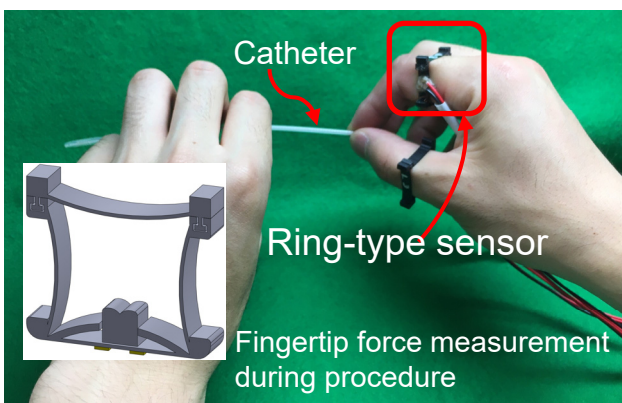

Tactile display device

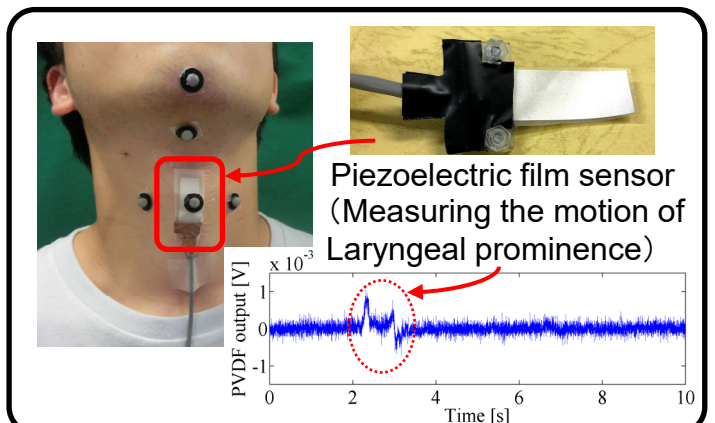

Optical coherence tomography(OCT) for finger measurement

Medical tactile sensor system

Skillful procedure measurement

Swallowing motion measurement
